

Application for EIR Training in the 2008-2009 School Year

Please complete this application, then fax, e-mail, or post it to us. When the application is received it will be reviewed and approved by EIR staff. After approval we will send an invoice to your contact person. Please pay the invoice as soon as possible.

We will assign an experienced EIR teacher to you as your EIR trainer. We need to match your proposed training schedule with the EIR trainer's schedule. Some time during each session, the enrolled group should talk with your EIR trainer for about 30 minutes to ask questions and discuss issues and concerns. **Please contact Ceil Critchley, EIR Director of Training at ccritchley@comcast.net or 763-785-0701 to schedule times for the initial session and monthly meetings.**

Your EIR facilitator will need to talk with your assigned EIR trainer in June or July about the books you will be using for the EIR program. Please provide your EIR facilitator's name and phone number as well as best times to be reached this summer.

The EIR Professional Development Program is designed to be used with a group of 4-10 or more teachers. It will not work as an independent study course because there are large and small group activities to be carried out at each session. Also, beginning in November, teachers in the EIR Professional Development Program are to bring in short video clips of themselves teaching some portion of the EIR program at their assigned grade level to share with others in their video sharing group. Each month teachers bring in a video to share from November through January and again from February through April.

Thank you for your interest in the EIR Professional Development Program. If you have questions, please e-mail us at ccritchley@comcast.net or call us at 763-785-0701. **Please fax this application to (763) 785-0702 or mail it to:**
